

1. Purpose of Aikido

The objective of Aikido is to contribute to making a better society through the training of both body and spirit.

2. Feature of Aikido

Aikido is a unique Japanese Martial Way intended to train both body and spirit that can be practiced by students, businessmen, housewives, elderly and children alike.

3. Membership Application

One can join Hombu (Headquarters) Dojo (Practice) Hall by filling out the appropriate forms available at the office and paying the Entrance Fee.

The office is open every day but holidays and Sunday afternoon.

4. Membership Card

All members receive a Membership Identification Card after completing the necessary forms. This card should be presented at the office before practice, and picked up prior to leaving.

7.**Grading Examinations**

Students wishing to take a grading examination are requested to submit the appropriate form by no later than Thursday the week before the date of the scheduled exam. Dates of exams and results will be posted. Kyu-level tests will be administered on the first Sunday and Monday of every month ;

Dan-level exams will be given on the first Sunday and Monday of every other month. No exams, however, will be administered in January or August.

DOJO ETIQUETTE AND CUSTOMS

1. Proper manners and rules should be obeyed, while following the instructions of one's teacher.
2. Practice should be serious and sincere, but should not inflict an injury on others.
3. All should participate in cleaning following practice, in order to insure a clean place of training.
4. There should be no smoking in the dojo at anytime.
5. Harmony should be respected, and practice should be bright.
6. Practice under the influence of alcohol should be avoided.
7. People observing practice should respect the rules and order of the dojo.
8. All accidents and/or injuries resulting from practice are the responsibility of the individual member.

* In case of long absence, "KEIKOGI" should be taken home, or the dojo will dispose of it.
